FIRE / CONTRACTOR LAYFLAT HOSE

Layflat Hose Storz couplings

A flexible and durable Layflat hose, ideal for temporary water transport tasks. It's easy to deploy and store, making it suitable for contractor projects and general water transfer. Please note that this hose is not fire-approved and comes with attached aluminum Storz couplings.

Material:

Lining: Thermoplastic (TPE)
Cover: Polyester filament

Temperature range:

- -30°C – +70°C
